SPA ETIQUETTE

We ask that you arrive 15 minutes before your appointment to allow time for you to change and relax prior to treatment. We would like you to think of Beautology as your own private 'quiet zone' where silence, subtle music and soft conversation reign. To ensure your relaxation and that of others is not disturbed, we request that your **mobile phone** is switched off during your Beautology visit.

Please give us at least one full working day's notice if you are unable to make your appointment and we will be happy to reschedule. Otherwise we reserve the right to charge the full amount of the treatment.

Beautology's aim is to offer the very best service possible. Your suggestions and comments are therefore welcome. Thank you.
